RE: Joint Application and Petition of South Carolina Electric & Gas Company and Dominion Energy, Incorporated for Review and Approval of a Proposed Business Combination between SCANA Corporation and Dominion Energy, Incorporated, as May Be Required, and for a Prudency Determination Regarding the Abandonment of the V.C. Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans

Docket No. 2017-207-E; Docket No. 2017-305-E; and Docket No. 2017-370-E

Dear Mr. Butler:

In accordance with matters discussed at the pre-hearing conference on October 4, 2018, your Report of Stipulations filed on October 5, 2018, Order No. 2018-140-H, and Order No. 2018-149-H, South Carolina Electric & Gas Company ("SCE&G" or the "Company") hereby notifies the Public Service Commission of South Carolina (the "Commission") and the other parties to the above-captioned dockets of the date certain that SCE&G respectfully requests that it be permitted to present the testimony of Dr. Glenn Hubbard, one of its expert witnesses. Dr. Hubbard is Dean of the Graduate School of Business of Columbia University and has many commitments requiring his appearance and time. Consequently, the Company respectfully requests that it be permitted to present Dr. Hubbard on either the following dates:

- Wednesday, November 14, 2018, from 9:30am to 2:00pm. Dr. Hubbard has commitments that require his return to New York City. Thus, if this day is selected, all examination of Dr. Hubbard would need to be concluded by 2:00pm so he could fly back to NYC to fulfil his other commitments.

(continued...)

- Monday, November 19, 2018, from 10:00am to the end of the day. If this day is selected, then all examination of Dr. Hubbard would need to be completed on November 19, as he needs to return to NYC that evening.

It is impossible to determine which witness may be testifying as of the close of the hearing on November 13 or November 16 (depending upon whether November 14 or 19 is selected), but this request for a date certain to present Dr. Hubbard includes the request that, should a witness's testimony be incomplete on the day that Dr. Hubbard is to testify, that such witness's testimony be interrupted and the Company be permitted to call Dr. Hubbard as the first witness to testify on the day that he is presented.

We respectfully ask that we be permitted to confirm a date certain for Dr. Hubbard. Either of the above two dates will work, but we respectfully request that the Hearing Officer provide us with the Commission's preference as to which day to confirm, with the understanding of the time limitations set forth above. Please advise which date you wish for us to confirm for the presentation of Dr. Hubbard's testimony. Thank you. With warmest regards, I am

Sincerely,

WILLOUGHBY & HOEFER, P.A.
